I Invoke an Attitude of Ongoing Victory

In the name I AM THAT I AM, Jesus Christ, I call to my I AM Presence to flow through the I Will Be Presence that I AM and give this invocation with full power. I call to beloved Elohim Apollo and Lumina and Cyclopea and Virginia, Archangel Jophiel and Christine and Raphael and Mother Mary, Master Lanto and Hilarion to help me overcome all sense of being inadequate so I can adopt a sense that the path goes from one victory to the next. Help me see and surrender all patterns that block my oneness with Master Lanto and my oneness with my I AM Presence, including …

[Make personal calls]

1. I am loyal to the inner path

1. Master Lanto, help me acquire the wisdom that will allow me to dismiss the ego-based chase for superhuman abilities. I surrender the desire to have my third eye opened or be able to heal others.

> Beloved Apollo, with your second ray,
> you open my eyes to see a new day,
> I see through duality's lies and deceit,
> transcending the mindset producing defeat.
>
> **Beloved Apollo, thou Elohim Gold,**
> **your radiant light my eyes now behold,**
> **as pages of wisdom you gently unfold,**
> **I feel I am free from all that is old.**

2. Master Lanto, help me develop my heart's ability to discern whether the energy behind any physical phenomenon flows upwards or downwards or whether it simply stands still in one place.

> Beloved Apollo, in your flame I know,
> that your living wisdom is always a flow,

in your light I see my own highest will,
immersed in the stream that never stands still.

Beloved Apollo, your light makes it clear,
why we have taken embodiment here,
working to raise our own cosmic sphere,
together we form the tip of the spear.

3. Master Lanto, help me develop the discernment to evaluate the energy flow behind spiritual, political, scientific or religious teachings, and behind music and newscasts. Help me detect when the energy waves go up, when they go down or when they move up and down with no decisive direction.

Beloved Apollo, exposing all lies,
I hereby surrender all ego-based ties,
I know my perception is truly the key,
to transcending the serpentine duality.

Beloved Apollo, we heed now your call,
drawing us into Wisdom's Great Hall,
exposing all lies causing the fall,
you help us reclaim the oneness of all.

4. Master Lanto, help me discern the statements with words that produce an upwards energy flow. Help me see that any statement expressed with words in the material universe can only produce an energy impulse that goes so far.

Beloved Apollo, your wisdom so clear,
in oneness with you, no serpent I fear,
the beam in my eye I'm willing to see,
I'm free from the serpent's own duality.

Beloved Apollo, my eyes now I raise,
I see that the Earth is in a new phase,
I willingly stand in your piercing gaze,
empowered, I exit duality's maze.

5. Master Lanto, help me see that any statement expressed in words is given for a certain level of consciousness. Any statement is given for one of the 144 possible levels of consciousness found on earth. Any teaching in the world has a limited range.

Cyclopea so dear, the truth you reveal,
the truth that duality's ailments will heal,
your Emerald Light is like a great balm,
my emotional body is perfectly calm.

Cyclopea so dear, in Emerald Sphere,
to vision so clear I always adhere,
in raising perception I shall persevere,
as deep in my heart your truth I revere.

6. Master Lanto, help me discern when a particular outer teaching has taken me as far as it can take me. Help me feel when a teaching begins to be like a wave in the ocean that moves around in a circle.

Cyclopea so dear, with you I unwind,
all negative spirals clouding my mind,
I know pure awareness is truly my core,
the key to becoming the wide-open door.

Cyclopea so dear, clear my inner sight,
empowered, I pierce the soul's fearful night,
through veils of duality I now take flight,
bathed in your penetrating Emerald Light.

7. Master Lanto, help me truly grasp this mechanism with the outer, conscious mind so I can avoid getting into the blind alley of thinking I have to remain loyal to an outer teaching, guru or organization.

Cyclopea so dear, life can only reflect,
the images that my mind does project,
the key to my healing is clearing the mind,
from the images my ego is hiding behind.

Cyclopea so dear, I want to aim high,
to your healing flame I ever draw nigh,
I now see my life through your single eye,
beyond all disease I AM ready to fly.

8. Master Lanto, help me let go of a certain teaching, guru or organization without any negative reaction. Help me accept that the teaching was never meant to take me any higher. Help me see whether my ego caused me to interpret the teaching as making an empty promise.

Cyclopea so dear, your Emerald Flame,
exposes every subtle, dualistic power game,
including the game of wanting to say,
that truth is defined in only one way.

Cyclopea so dear, I am feeling the flow,
as your Living Truth upon me you bestow,
I know truth transcends all systems below,
immersed in your light, I continue to grow.

9. Master Lanto, help me realize that a teaching is only meant to take me a certain level up. When it has done so, it is time to tune in to this. It is *my* responsibility to tune in to this, and then I need to make the decision to move on.

Accelerate my Awakeness, I AM real,
Accelerate my Awakeness, all life heal,
Accelerate my Awakeness, I AM MORE,
Accelerate my Awakeness, all will soar.

Accelerate my Awakeness! (3X)
Beloved Apollo and Lumina.
Accelerate my Awakeness! (3X)
Beloved Jophiel and Christine.
Accelerate my Awakeness! (3X)
Beloved Master Lanto.

Accelerate my Awakeness! (3X)
Beloved I AM.

2. I attain the vision of the Fifth Ray

1. When the student is ready, the teacher appears. I am willing to let go of an existing teaching and open my mind to the inner direction from my Christ self and my ascended teachers. I am attuning my outer mind, and I know with my outer mind that I have received new direction.

Jophiel Archangel, in wisdom's great light,
all serpentine lies exposed to my sight.
So subtle the lies that creep through the mind,
yet you are the greatest teacher I find.

Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.

2. Master Lanto, help me develop a sense of how energy flows in my own energy field. Help me sense where I have certain hooks in my consciousness that tie me to a particular teaching on earth.

Jophiel Archangel, your wisdom I hail,
your sword cutting through duality's veil.
As you show the way, I know what is real,
from serpentine doubt, I instantly heal.

Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.

3. Master Lanto, help me see why I am being pulled in different directions. Help me see what I haven't let go of, and why I cannot move with the River of Life.

Jophiel Archangel, your reality,
the best antidote to duality.
No lie can remain in your Presence so clear,
with you on my side, no serpent I fear.

Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.

4. Master Lanto, I want to be free from all ties to the past or to any outer thing on earth. I am willing to see these ties with my conscious mind and make the conscious decision to cut the tie.

Jophiel Archangel, God's mind is in me,
and through your clear light, its wisdom I see.
Divisions all vanish, as I see the One,
and truly, the wholeness of mind I have won.

Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.

5. Master Lanto, help me see the ties that I have and cut them at the level of the identity, mental, and emotional bodies. I accept that it is my responsibility to cut them at the level of the conscious mind. I am willing to develop the conscious awareness, to make a conscious effort and to make a conscious decision.

Raphael Archangel, your light so intense,
raise me beyond all human pretense.
Mother Mary and you have a vision so bold,
to see that our highest potential unfold.

Raphael Archangel, for vision I pray,
Raphael Archangel, show me the way,

Raphael Archangel, your emerald ray,
Raphael Archangel, my life a new day.

6. As I cut these ties consciously, I feel a new sense of freedom, a new sense of being healed of old wounds and conflicts. I realize my ego and the false teachers will try to make me feel like I have to close my conscious mind to the insights I have already gained at higher levels of the mind. Yet I will let go and move on.

Raphael Archangel, in emerald sphere,
to immaculate vision I always adhere.
Mother Mary enfolds me in her sacred heart,
from Mother's true love, I am never apart.

Raphael Archangel, for vision I pray,
Raphael Archangel, show me the way,
Raphael Archangel, your emerald ray,
Raphael Archangel, my life a new day.

7. I am moving on and I am truly healed. I am healed from the divisions that pull my mind in different directions. I am attaining the higher vision that is the hallmark of the Fifth Ray.

Raphael Archangel, all ailments you heal,
each cell in my body in light now you seal.
Mother Mary's immaculate concept I see,
perfection of health is real now for me.

Raphael Archangel, for vision I pray,
Raphael Archangel, show me the way,
Raphael Archangel, your emerald ray,
Raphael Archangel, my life a new day.

8. As I attain this vision, I feel whole. As I feel whole, I am the open door for the healing of others. Master Lanto, show me how to use wisdom to heal my wounds, how to use wisdom to heal others by reasoning with others and by reasoning with myself.

Raphael Archangel, your light is so real,
the vision of Christ in me you reveal.
Mother Mary now helps me to truly transcend,
in emerald light with you I ascend.

Raphael Archangel, for vision I pray,
Raphael Archangel, show me the way,
Raphael Archangel, your emerald ray,
Raphael Archangel, my life a new day.

9. Master Lanto, help me see that the true purpose of the dictations given by the ascended masters is to give me tools for reasoning with myself at the level of the conscious mind.

With angels I soar,
as I reach for MORE.
The angels so real,
their love all will heal.
The angels bring peace,
all conflicts will cease.
With angels of light,
we soar to new height.

The rustling sound of angel wings,
what joy as even matter sings,
what joy as every atom rings,
in harmony with angel wings.

3. I accept that I am healed

1. When I study a dictation, I receive spiritual light, and this light begins to create a transformation in my energy field. I also receive outer knowledge in the form of words. The words either stir something in me or they generate a reaction of resistance to the statement.

Master Lanto, golden wise,
expose in me the ego’s lies.

Master Lanto, will to be,
I will to win my mastery.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

2. Master Lanto, when I feel this resistance, I will see it as an opportunity to use the teaching to start reasoning with myself. When I feel a resistance or an unresolved question concerning a teaching, it is *my* responsibility to explore what the resistance means.

Master Lanto, balance all,
for wisdom's balance I do call.
Master Lanto, help me see,
that balance is the Golden key.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

3. Master Lanto, help me tune in to the spirit behind the words so I can use it as a frame of reference for exposing the illusions of my ego and the false teachers, the illusions that seek to make me reject a higher understanding.

Master Lanto, from Above,
I call forth discerning love.
Master Lanto, love's not blind,
through love, God vision I will find.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

4. Master Lanto, help me explore the questions and go deeper and deeper. Help me reason with myself in order to clarify which aspect of my ego, which of the spirits in my consciousness, opposes the teaching.

Master Lanto, pure I am,
intentions pure as Christic lamb.
Master Lanto, I will transcend,
acceleration now my truest friend.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

5. Master Lanto, help me expose the spirit. Help me expose the belief that created the spirit, the particular dualistic illusion that created the spirit. Help me experience the illusion, and in experiencing it, spontaneously letting it go.

Master Lanto, I am whole,
no more division in my soul.
Master Lanto, healing flame,
all balance in your sacred name.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

6. Master Lanto, I accept my responsibility as a student of the ascended masters. I know that reading a book and practicing invocations will not work against my free will. I will consciously and deliberately look at the beam, the spirit, in my own eye.

Master Lanto, serve all life,
as I transcend all inner strife.

Master Lanto, peace you give,
to all who want to truly live.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

7. Master Lanto, I will keep looking at the illusions from different angles, probing them with different questions, until I see the very core belief behind the illusion. When I see it in the light of Christ truth, I see that it is unreal, that it is an illusion. At that moment, I have no trouble letting it go.

Master Lanto, free to be,
in balanced creativity.
Master Lanto, we employ,
your balance as the key to joy.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

8. Master Lanto, help me realize and accept that in order to be healed I must let go of the state of being unhealed. I am letting go of the sense that I am not healed. I am entering the state of mind where I am healed, where I am whole.

Master Lanto, balance all,
the seven rays upon my call.
Master Lanto, I take flight,
my threefold flame a blazing light.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

9. Master Lanto, help me let go of the disease or the illusion by seeing it through the Christ mind. I will gain the Christ vision by systematically and consciously challenging the illusions, going towards deeper levels until I find the belief that is preventing me from flowing with the River of Life.

Lanto dear, your Presence here,
filling up my inner sphere.
Life is now a sacred flow,
God Wisdom I on all bestow.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

4. I adopt the mindset of ongoing victory

1. Wholeness comes from giving up the sense of being unwhole. I give up the dream of finding some ultimate truth or ultimate formula or gaining some ultimate ability. Nothing in the material world is ultimate. Nothing is finite. Nothing is the end. Everything is the River of Life that constantly flows on.

Hilarion, on emerald shore,
I'm free from all that's gone before.
Hilarion, I let all go,
that keeps me out of sacred flow.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

2. Master Lanto, help me truly integrate this truth and make it easier for myself to walk the path of initiation under the seven rays. Help me feel that I am going from one victory to another every time I pass an initiation.

Hilarion, the secret key,
is wisdom's own reality.
Hilarion, all life is healed,
the ego's face no more concealed.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

3. Master Lanto, help me accept that you do not judge me the way I judge myself. I see that it is not your role to take me to the ultimate level of initiation. It is your role to take me through the seven levels represented by the Second Ray initiations and then help me move to the Third Ray.

Hilarion, your love for life,
helps me surrender inner strife.
Hilarion, your loving words,
thrill my heart like song of birds.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

4. Master Lanto, I accept that you do *not* look at me as an inadequate student. You look at me in a positive light. You look at me as a student who has attained the victory of passing through the seven initiations under Master MORE and the First Ray.

Hilarion, invoke the light,
your sacred formulas recite.
Hilarion, your secret tone,
philosopher's most sacred stone.

O Holy Spirit, flow through me,
I am the open door for thee.

O mighty rushing stream of Light,
transcendence is my sacred right.

5. Master Lanto, I see that you look at me as having won an important victory before I even enter your retreat. When I pass the first level of initiation, I win another important victory and so on. When I get to the final initiation in your retreat, I win the highest victory at your level of initiation, and you are gratified that you can send me on to the next level up.

Hilarion, with love you greet,
me in your temple over Crete.
Hilarion, your emerald light,
my third eye sees with Christic sight.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

6. Master Lanto, I see that there is no defeat, there is no inadequacy. When I arrive at your retreat, I have passed the initiations of the First Ray, and that is indeed a victory.

Hilarion, you give me fruit,
of truth that is so absolute.
Hilarion, all stress decrease,
as my ambitions I release.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

7. Master Lanto, help me transcend any feeling of being inadequate. I accept that it is a victory that I have passed the difficult and rigorous initiations under the First Ray. It is a victory that I am passing the initiations under the Second Ray.

Hilarion, my chakras clear,
as I let go of subtlest fear.
Hilarion, I am sincere,
as freedom's truth I do revere.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

8. I am willing to experience the Spirit of Truth beyond the outer statement of truth. I am making swift progress and I am passing the fifth level of initiation on the Second Ray.

Hilarion, you balance all,
the seven rays upon my call.
Hilarion, you keep me true,
as I remain all one with you.

O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.

9. I am willing to reason with myself and probe why my ego has this quest for ultimate truth. Master Lanto, help me see the particular belief that makes me vulnerable to this impossible quest. Help me reach the point of clarity where I make the spontaneous decision to let it go.

Hilarion, your Presence here,
filling up my inner sphere.
Life is now a sacred flow,
God Vision I on all bestow.

O Holy Spirit, flow through me,
I am the open door for thee.

O mighty rushing stream of Light,
transcendence is my sacred right.

Sealing:

In the name of the Divine Mother, I fully accept that the power of these calls is used to set free the Ma-ter light, so it can outpicture the perfect vision of Christ for my own life, for all people and for the planet. In the name I AM THAT I AM, it is done! Amen.
